Additional charges

Administration charge	Administration is included in most of our treatment packages. This would be charged for additional work, cancellations of treatment prior to scheduling etc	£140
Nurse consultation	Most nurse consultations are included in our treatment packages. The main exception would be for a consents appointment for an Access patient or a specially requested appointment.	£140
Scientific Consultation	A scientific follow up consultation is included in your treatment package if needed. Other appointments would be chargeable.	
	With Professor Kasraie – up to 30 minutes	£140
	With member of the scientific team	£70
Embryos transfer out fee	Admin charge for transferring embryos to another clinic. Courier fees are additional to this.	£300

Patients being treated elsewhere

We are under no obligation to provide services for patients being treated elsewhere either in the UK or abroad and requests will be considered on a case by case basis. A consultation with a doctor is required before any request will be considered by the clinic, and in paying for this there is no guarantee your request will be accepted.

Doctors appointment	To discuss requirements	£140
Clinic Registration fee – new patients	One off cost payable only by patients who have not had treatment at our clinic in last 2 years, no matter which service is requested	£500
Administration fee	One off cost payable only by patients who have been treated at our clinic in last 2 years (instead of registration fee), no matter which service is requested	£140
Injection administration fee	Fee for an injection, provided by yourself, to be administered by one of our nurses	£100

Cancellation charges

Administration fee	Cancellation of IVF/ICSI treatment before treatment slot is booked in our schedule	£140
IVF/ICSI cancellation fee	Cancellation of IVF/ICSI treatment after treatment slot is booked in our schedule	£525
